

## SAMPLE FOUR YEAR PLAN BS IN DENTAL HYGIENE

### Study Abroad Option

The curriculum in our degree program is structured so that students move through classes in a prescribed order. Prerequisites are important and are strongly enforced. This is a sample plan for completing this degree in eight semesters, including one semester abroad. Meet with your advisor as soon as you can to discuss a plan of action that works best for you.

*\*Due to the clinically intensive nature of the program, dental hygiene students study abroad in the summer between their third year and fourth years in a short term option.*
