

# A SPECTRUM OF RESOURCES

## Supporting Students on the Autism Spectrum

University of  
New Haven

### ACCESSIBILITY RESOURCE CENTER (ARC)

Sheffield Hall, Lower Level

[AccessibilityResCtr@newhaven.edu](mailto:AccessibilityResCtr@newhaven.edu) • 203.932.7332

Provides reasonable accommodations for students with disabilities including, but not limited to, extended test time in a distraction-free setting, notetakers, and assistive technology. All referrals and inquiries concerning matters related to students with disabilities, accessible facilities, and/or reasonable accommodations should be directed here.

### CENTER FOR LEARNING RESOURCES (CLR)

Marvin K. Peterson Library, Lower Level

[CLR@newhaven.edu](mailto:CLR@newhaven.edu) • 203.932.7215

Supports students in their academic success to gain awareness of and learn how to apply strategies to be successful learners. Students who find themselves struggling in a class can seek out a tutor in the CLR. There are tutors specializing in approximately 30 subjects for more than 60 hours a week.

### CENTER FOR STUDENT SUCCESS

Maxcy Hall, 1st Floor

[CSS@newhaven.edu](mailto:CSS@newhaven.edu) • 203.479.4584

Strives to make students aware of the multitude of academic resources available on campus. The objective is to help students make progress toward fulfilling their educational, social, and personal goals. By working individually with a Success Advisor, students can develop skills and strategies to overcome academic challenges if and when they arise.

### COUNSELING AND PSYCHOLOGICAL SERVICES (CAPS)

Charger Plaza, Bldg. B, Suite 111 • 203.932.7333

Offers a variety of services aimed at helping students resolve personal difficulties and acquire the balance, skills, and knowledge that enable them to take full advantage of their experience at the University. Concerns brought to counseling services include depression, anxiety, difficulty adjusting to campus life, relationship troubles, grief over the loss of a loved one, substance abuse, and other personal and emotional concerns. Counseling services are free, confidential, and available to currently enrolled students.

### DEAN OF STUDENTS OFFICE

Bartels Hall, 2nd Floor • 203.932.7432

Provides support and advocacy for all students by providing information about and referrals to campus resources; assists in students' adjustment to the University; promotes programs that address student needs; and helps students resolve problems. Students can meet one-on-one with a member of the team for assistance in transitioning to college or when other issues arise along the way.

### OFFICE OF RESIDENTIAL LIFE

Bixler Hall, Lower Level

[reslife@newhaven.edu](mailto:reslife@newhaven.edu) • 203.932.7076

Assists in providing housing accommodations for students living on campus. When students live in a residence hall, they live and learn near the people and places that are integral to their college experience. Through the University of New Haven's unique Living-Learning Communities, students live with and are supported by people who have the same major or area of interest. Resident Assistants are a resource that students can use for help with roommate issues, social concerns, or general questions.

### AUTISM SPECTRUM DISORDER (ASD) NETWORK

[ASDNetwork@newhaven.edu](mailto:ASDNetwork@newhaven.edu)

Advocates for and supports students on the autism spectrum. The organization's goals are to facilitate the campus involvement of students on the spectrum, assist new students with their adjustment to University life, and prepare members for life after college. Although the group was founded by and for students with autism, anyone is welcome to join.
