STUDENT DEVELOPMENT & ENGAGEMENT

NAVIGATE

What can students do in Navigate?

- **Schedule an appointment through Navigate:** Students can view available office hours for advisors and departments to schedule appointments online or with the phone app. [Click this link to visit the Navigate Appointment Center *](#)
- **View resources and people that are here to help:** Students can view all campus resources, contact information, and find personal advisors and staff members on campus. [Click this link to visit the Resources Center *](#)
- **View important deadlines and events on campus:** Students can see upcoming key dates and deadlines as well as tips and action items to have a successful semester.
- **View class schedule in detail and week-at-a-glance formats:** Students can view details of their class schedule, including instructors, locations, and dates and times.
- **View holds on student accounts and ways to resolve the hold:** Students will be notified of holds on accounts that will affect registration or other processes at the university. The hold details will provide students with more information and instructions on resolving the hold. [Click this link to visit the Hold Center *](#)

CENTER FOR LEARNING RESOURCES (CLR)

- The Center for Learning Resources (CLR) is the main tutoring center on campus. All tutoring is complimentary with tuition. **The CLR is in the lower level of Peterson Library.**
- Make an appointment through [CLR on myCharger *](#). Walk-ins are also welcome, though appointments make sure you get help quickly.

MATH ZONE

- Math Zone is a part of the Department of Math & Physics. It is located in North Hall, directly adjacent to Echlin Hall.
- Tutors are available to work one-on-one with students to help them master the details of mathematical problem solving, with the aim of bringing each student to a level of performance in math that allows them to master more advanced math classes.
- Make an appointment through [Math Zone on myCharger *](#)
