

MARVIN K. PETERSON LIBRARY NEWSLETTER WELCOME BACK! FALL 2016

New for Fall 2016!

A New Way to “Discover” Library Resources – On Trial

The library is happy to announce the trial of an all-in-one search that lets students and faculty search nearly all of the resources available through the library by using one search box. EBSCO EDS is a discovery service. The idea behind a discovery service is to enter a few terms and discover what is available in the library collection. When using EDS, there is no need to select the catalog and databases individually. The search will return books, articles and even LibGuides.

To access EDS:

- Go to the library homepage (<http://www.newhaven.edu/library/>)
- The search box is front and center.
- Type in a few words or phrases to get started.

Although the one search box looks similar to Google, once you search there are different limiters that allow you to find specific information from reliable resources. For instance, there is a peer-reviewed button that will limit all results to peer reviewed publications, or a sliding scale that will let users find resources written during a certain time period. This system will make searching the library’s resources much easier. Test out the product and let us know what you think. All feedback is greatly appreciated. Send feedback to libraryhelp@newhaven.edu or select the “Suggestion Box” option from the left hand menu on the library homepage (<http://www.newhaven.edu/library/suggestion-box/>)

Search Everything available at the UNH Library (books, journal articles, government documents, e-books, etc.)

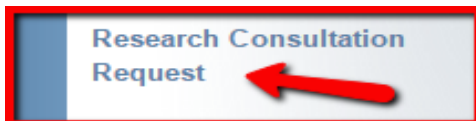

Keyword ▾ Enter any words **Search**

Full-Text Peer Reviewed [Advanced Search](#)

Catalog Only Institutional Repositories Only

Pressed for time? Need research help from a librarian?

Librarians are available to meet with you on your time! Busy students pressed for time can make an appointment to meet with a librarian for research help. You tell us when you are available and an appointment can be made. Simply select the “Research Consultation Request” link from the library homepage (<http://www.newhaven.edu/library/>), fill out the form, and a librarian will get back to you to confirm the appointment.

Fall 2016 Program
at the Marvin K. Peterson Library

Thursday, September 29, 2016 at 3:00 pm

Dr. Claudia Bosch

Adjunct Professor/Lecturer, Psychology and Sociology

*“Solid and Liquid: How to Celebrate
Oktoberfest Style in Germany”*

Monday, October 31, 2016 at 1:00 pm

Dr. Junhui Zhao

Ass't Professor, Electrical & Computer Engineering & Computer Science

*“Development and Trends of Renewable Energy Sources and the Challenges
of Integrating Them with Power Systems”*

Wednesday, November 16, 2016 at 2:00 pm

Dr. Gabriella M. Petrick

Associate Professor, Hospitality and Tourism

*“Red or White Wine: How Cabernet and Chardonnay
Came to Define Wine”*

Programs are held in the upper level of the Marvin K. Peterson Library.

See the video recordings of previous programs at:

<http://www.newhaven.edu/library/Speakers/>

Library Workshops are open to the entire University of New Haven Community.

Just drop in—no registration is required.

All workshops are held in library room 213. If you can't attend, you can view the recorded workshops at <http://libguides.newhaven.edu/workshops>

Program	Date	Time
Library Resources for Graduate Students –Provides an overview of the library and resources available through the UNH library, including databases, e-books, research strategies & more. Bring your questions!	Tuesday, Sept 13	5:00
Copyright & Fair Use Q&A For Faculty - Interested in using eReserves for your course readings for your classes? Come get information and bring your questions & materials.	Wednesday, Sept 14	11:00
Accessing Library Resources through Google Scholar – Learn how to use Google Scholar to access information that is available in library databases .	Friday, Sept 16	1:00
Research Toolbox - Write stronger research papers by using UNH tools to find books, articles and websites. Save time and avoid unnecessary costs.	Sunday, Sept 18	4:30
Searching Databases using your Mobile Device -See which databases have mobile apps	Friday, Sept 23	12:00
Accessing E-books in the library – Discover the e-book resources available through var-	Tuesday, Sept 27	4:30
Journals: What they are, Why you need them & Where to get them - Discover the difference between journals and popular magazines. Learn how to find peer-reviewed journals & how to find journal articles if you have citations	Tuesday, Oct 4	1:00
Intro to Zotero - This workshop will introduce you to Zotero, a free downloadable tool which can help you keep your research organized. Learn how to install Zotero and use it to collect, manage, and cite your research sources. Zotero will even help you create	Wednesday, Oct 5	3:00
Copyright & Fair Use Q&A For Faculty - Interested in using eReserves for your course readings for your classes? Come get information and bring your questions & materials.	Friday, Oct 7	1:00
How to Access information for Engineering – Learn about the library databases for accessing engineering information, including journals and e-books.	Friday, Oct 14	12:00
Company Research Opens Doors - Gain an edge over competitors by learning what prospective companies need.	Sunday, Oct. 16	5:00
Database Workshop – ICPSR – Learn how to access and download these social sciences	Monday, Oct 17	3:00
Citation Styles - Covers how to find help citing your sources regardless of the citation	Tuesday, Oct 18	1:00
Psychology Resources – Learn the resources for finding psychology journals, empirical	Tuesday, Oct 18	4:30
Criminal Justice Resources - Trying to find relevant resources for your Criminal Justice paper or project? Learn how to locate, access and utilize the resources you need in the subject area of Criminal Justice	Wednesday, Oct 19	3:00
Research Toolbox - Write stronger research papers by using UNH tools to find books, articles and websites. Save time and avoid unnecessary costs.	Sunday, Nov 6	4:30
Learn about LibGuides - LibGuides are great resources that teach you how to find library resources for any research paper or project. See where to find them & how to use them.	Wed, Nov 9	5:00
Intro to Zotero - This workshop will introduce you to Zotero, a free downloadable tool which can help you keep your research organized. Learn how to install Zotero and use it to collect, manage, and cite your research sources. Zotero will even help you create bibliographies.	Monday, Dec 5	3:30

Printing, Finding Things, and Free Services: Some Things You Should Know

Here are some things you should know about the library.

Library Staff is here to help!

We are willing and trained to help with conducting research, utilizing technology, searching databases, using interlibrary loan, using course reserves and more.

What should I bring to the library?

- **UNH ID:** This will allow you to borrow items, reserve a study room & pay for network printing. Print money will be loaded on your card by IT the first day of classes. You can add money to your card using a deposit machine near the printers. contact printgreen@newhaven.edu if the money is not there,
- **Spare change** in case you need to use the copier: the copier takes only dollars and cents.
- **A flash drive** will enable you to use either of our two scanners and save you time, plus it will be easier to download files from UNH computers.
- **Pen or pencil** – useful anywhere, and always charged up!

How can I print?

The networked printers (“Library B&W Printers on PHAROS” and “Library Color Printer”) let you print by swiping your UNH ID – as long as money is loaded on it. See “UNH ID” above.

What costs money in the library?

- **Printing:** you can use your Charger Card as long as there is money loaded on it. There should be print money loaded onto your card from the first day of classes. If you need to print before that, you can load money onto the card using the Charger machine in the library. Black & White printing costs \$.08 per page; color printing costs \$.50 per page.
- **Guest printing:** If you cannot use your Charger card, you can print to the Circulation desk printer (“LIB-CIRC”) and ask a staff member for your printout. The Circulation department only accepts cash; printing is \$.10 a page. Again, a little change is good.
- **Fines:** Laptops, chargers and other audiovisual materials returned late incur fines at \$.20 per minute. Please watch the time if you borrow such items, and return them a few minutes before they are due to be safe. There is a \$.05 per day fine for late books.
- **Charger Café** is open weekdays when class is in session and serves coffee, lunch & snacks

What doesn't cost money?

- Laptops & iPads can be borrowed for three hours for free.
- Study rooms can be reserved for four hours by two or more students.
- There is no charge for the scanner.
- There is no charge for online journals you access through the library website.
- There is no charge to borrow books or other items.
- **Instruction:** Some library workshops are for particular classes; many are open to all students.

Does the library have my textbook?

Students are expected to buy or rent their textbooks. Some professors will leave a copy on reserve in the library, and you can check it out for a few hours. Click “Course Reserves Catalog” on the library home page, or ask at the circulation desk.

May I eat & drink in the library?

Covered drinks are allowed anywhere in the library. Food must stay in the café area.

Can I use the library without coming in to the library?

You can use your UNH login to sign into databases, check your account, search the catalog or request an interlibrary loan, & explore LibGuides that show you resources by subject area.

Don't forget to visit our Library Café. Delicious coffee, lattes, smoothies, pastries and more!
