

UNH slates fundraiser in honor of slain student

WEST HAVEN — The University of New Haven will hold the first Jessica N. Santos Walk to benefit the Jessica N. Santos Memorial Scholarship Fund at UNH, beginning with registration at 9:30 a.m. Saturday at the Oak Street Beach and deck along the city's boardwalk.

Santos, a Tarrytown, N.Y., resident, was killed in a drive-by shooting in Yonkers on Aug. 27, 2007, a day before she was to begin her sophomore year at UNH, school officials said. The fund named in her memory aids students pursuing a

degree in criminal justice and forensic science.

The walk was developed by the UNH Victimology Club.

The fee for adults is \$20 and \$5 for UNH students. There is no charge for children 15 years old or younger, but donations will be accepted on their behalf.
