

White Space Gallery

LOOKING AT LIFE

The art of John Arabolos is being featured in a show called "Fabric of Life ... Investigation in Chaotic Symmetries," opening Wednesday through July 12 at White Space Gallery, 1020 Chapel St., New Haven. There will be an opening reception 2-5 p.m. Saturday. The award-winning artist is professor of interior design and artist in residence at the University of New Haven. Gallery hours are 10 a.m.-6 p.m. Mondays-Saturdays, Thursdays until 7 p.m., and by appointment. For more information: (203) 495-1200 or www.whitespacegallery.com.
