WEST HAVEN - The University of New Haven (UNH) and Housatonic Community College (HCC) in Bridgeport have executed a transfer agreement to allow HCC graduates a seamless transfer into UNH. The agreement, which was signed August 14 by HCC President Anita T. Gliniecki and UNH President Steven H. Kaplan, guarantees qualifying HCC graduates admission to certain UNH bachelor's degree programs as third-year students and accepts courses that meet UNH requirements. The agreement also provides grants up to \$12,000 for academically accomplished students.
