

# Career Services

## Brief Summer Update

University of New Haven

August 2008

Volume 2, issue 8

### Career Services Participates in SOAR

The Career Services staff was happy to take an active role with UNH's Summer Orientation, Advising, and Registration program (SOAR). Kathy Forkin and Kristen Cruz made a total of five presentations to parents of incoming freshmen on the variety of services the office offers including career guidance, help with resumes, interviewing, and much more!

The parents were pleased to find that UNH begins preparing students for internship and employment opportunities as early as possible. Comments include: "Career Services speaker was an excellent speaker" and "I was very impressed with the informative and inspiring presentation by Ms. Forkin. She embodied what I believe this institution offers, education, experience, and caring."

**WELCOME FRESHMEN & PARENTS!**

We hope you are  
enjoying your Summer!

We look forward to  
seeing you in Fall 2008!

We're Open for  
the Summer!

Hours

M-R: 8:30-4:30

F: 8:30- 1:30

Office

Kaplan 210
