

Bethel Triple Layout Guide

Dear Triple Resident,
Welcome to UNH and the beginning of an amazing year, filled with friends, learning, social events and above all else triple the fun. Living in a triple can present some challenges to Room Set-up. This guide can serve as a resource to a possible room lay-out that works. We hope you find it useful! -TAP

Room: 16' X 10'1.25"

Bed: 7'1" X 3'2"

Wardrobe: 1'11.5" X 2'0.75"

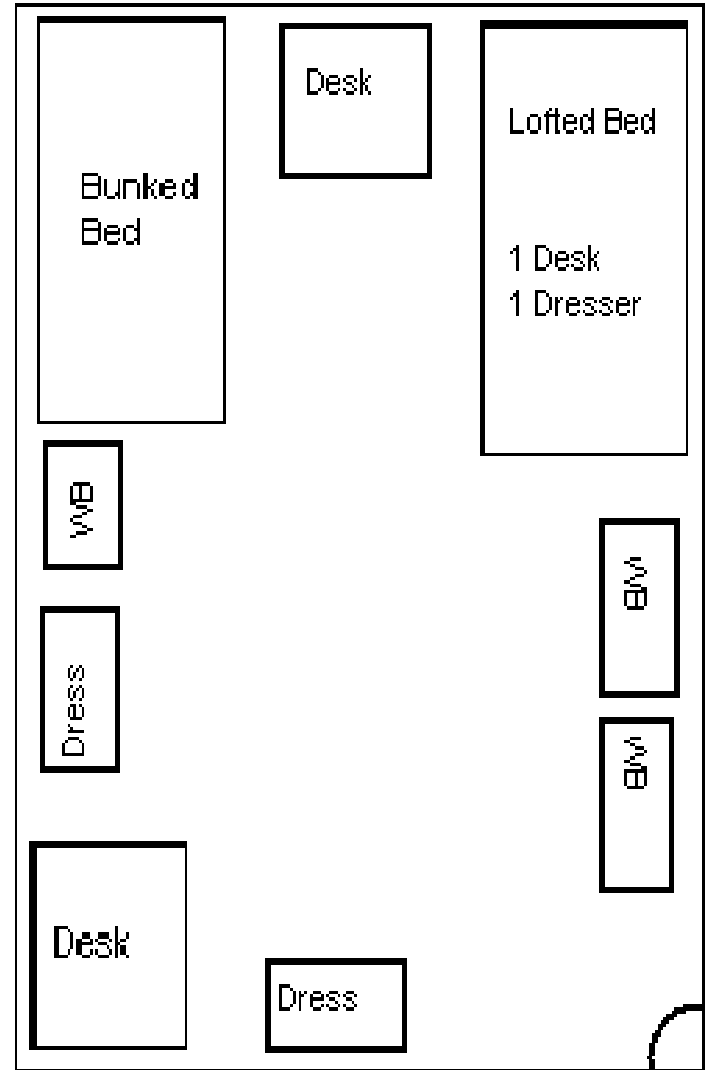

Desk: 3'6.25" X 2'0.25"

Drawer: 2'7.5" X 2'6"

Side Notes:

1. Ethernet jacks are located on the farthest wall from the entrance as well as the end of the right wall near the entrance. Some plans may require a long Ethernet cable, which may be purchased at the Campus Store.
2. Due to the variety of entrance locations to the rooms, the suggested plans may need to be changed to adjust to the door position. Also when possible stack the two small dressers.
3. Pictures on left are designed to give you an idea of what the room will look like for the diagram on the right, but may not be 100% like the diagram illustrated.
