REBECCA JOHNSON	Associate Provost for Student Affairs and Dean of Students
RONALD H. NOWACZYK	The College of Arts & Sciences
RICHARD WARD	The Henry C. Lee College of Criminal Justice and Forensic Sciences

BOARD OF GOVERNORS

Samuel S. Bergami, Jr. '85 E.M.B.A., Chairman of the Board	Armando Garcia '79 B.S.
Philip H. Bartels, Vice Chairman of the Board	Jeffery P. Hazell '83 B.S.
Mary J. Barneby	Paul D. Landino
Philip Batchelor '04 E.M.B.A., '07 M.S.	Robert M. Lee '78 B.S.
Kenneth W. Biermacher '76 B.S.	Thomas K. Lewis, Jr. '74 B.S., '76 M.S.
Gail L. Brekke	Raymond J. Margiano
William L. Bucknall, Jr. '63 A.S., '65 B.S.	Patrick G. O'Brien '66 B.S.
Frank P. Carrubba '79 B.S.	James C. Reilly
William J. Chowanec '70 B.S.	Ernest F. Schaub
K. Oni Chukwu '94 M.B.A.	Janice K. Sussman '83 E.M.B.A.
Ralph F. DellaCamera, Jr. '75 B.S.	Patricia B. Sweet '79 E.M.B.A.
Dr. Richard J. Deslauriers '90 B.S.	Stephen P. Tagliatela
Heidi S. Douglas '82 M.S.	Michael W. Toner '82 E.M.B.A.
Colin J. Foster	Douglas D. Watts

EMERITUS BOARD

Robert Alvine	Mark S. Levy
Henry E. Bartels	Robert J. Lyons, Sr.
Isabella E. Dodds	Herbert H. Pearce
Orest T. Dubno '68 B.S. '75 M.P.A.	Charles E. Pompea '71 B.S.
John E. Echlin, Jr. '80 E.M.B.A.	M. Wallace Rubin
John Aaron Frey '44 A.S.	Francis A. Schneiders '54 A.S.
Robert M. Gordon	R. C. Taylor III
Jean M. Handley	R. William Vine
Henry C. Lee	Robert F. Wilson

President Steven H. Kaplan discusses UNH's record-breaking enrollment and impressive progress in programs and construction with Fox 61 Reporter Nicole Jacobs at the University's Residence Hall Topping-Off Ceremony in September.

I was reading a newspaper a few months ago when I came across the story of a young man who, in an effort to obtain the designation of Eagle Scout, reconstructed a footbridge over a pond in Milford. His efforts were commendable, but what particularly caught my attention that day was his motivation for completing the project. Just a few months earlier, three of his friends had died after a fiery car wreck in Milford. Such a loss can break a person's spirit, and for a moment, it bent the will of this young man. But he bounced back. He dedicated his work to his lost friends, and he rebuilt the bridge. In the process, he illustrated the meaning of character.

The young man, Brian Cimbak, is now a freshman at the University of New Haven. He joins thousands of other students who are working to make a difference, both inside and outside the perimeter of this campus. They are students in the Tagliatela College of Engineering who this past spring built devices that may some day enable disabled workers to more easily complete their tasks. They are student-athletes who spent time this summer running a day camp for West Haven children. They are the members of our soccer team, who dedicated a game to their goalie, James Hilaire, seriously injured in an earlier game and struggling to recover in a Boston hospital. They went one step further when they won the game for James, then bowed their heads in a moment of silent tribute to their bent, but not broken, goalie.

Character abounds here, and we at the University are duty-bound to help our students discover it within themselves. The Rev. Martin Luther King Jr. summed up our mission well, I think, when he said: "The function of education is to teach one to think intensively and to think critically. Intelligence plus character – that is the goal of true education." Your help, through the Annual Fund, through designated gifts, through scholarships, enables us to continue to move forward with determination and purpose. The donor report in this magazine is testament to your generosity. I want to thank you, most sincerely, for your willingness to make a difference.

Steven H. Kaplan

M o v i n g F o r w a r d

with Determination and Purpose

The following list recognizes all gifts and matching gifts received by the University between July 1, 2007 and June 30, 2008. Extreme care has been given to the preparation of this report. Please review your name and giving information. If you notice errors, please contact the Office of Advancement at 203-932-7269 or by email at alender@newhaven.edu so that we may correct our records. Thank you.

WHY Give?

SAMUEL S. BERGAMI JR. '85 E.M.B.A.

PRESIDENT AND CEO, ALINABAL INC.

CHAIR, UNH BOARD OF GOVERNORS, BENEFACTOR, SAMUEL S. BERGAMI JR. LEARNING CENTER FOR FINANCE AND TECHNOLOGY, BERGAMI FITNESS CENTER IN DAVID A. BECKERMAN RECREATION CENTER

What Motivates:

Through my experience as an entrepreneur, my priorities have shifted over the years. Initially, I was keenly focused on my businesses, but my attention has shifted toward my family and making a difference through giving back to the community. This may be an outgrowth of accomplishing many of my career goals.

What Matters:

I believe that education can solve many of the social problems that we have to deal with these days.

Why He Helps:

Because of my beliefs, I tend to be more philanthropic toward educational institutions. The University of New Haven, my alma mater, receives the lion's share of my family's philanthropy. I've been associated with UNH for more than 25 years. In recent years, I have seen tremendous growth and many exciting campus improvements. This creates stimulation for fundraising and, as chair of the Board of Governors, building the endowment is one of the most important tasks I can help to accomplish.

WHY Give?

DOUGLAS D. SCHUMANN '69 B.S. MECHANICAL ENGINEERING

PRESIDENT, P-Q CONTROLS, INC.

DOUGLAS D. SCHUMANN ENDOWED SCHOLARSHIP AWARD

BENEFACTOR, SCHUMANN AUDITORIUM, TAGLIATELA COLLEGE OF ENGINEERING

What Motivates:

Like many people, I seek approval, first and foremost, from my parents — who were my guiding force during my early years — then later from my employers. I never wanted anyone to have to ask me twice to carry out a command. I also have always felt that if I was investing my energy into something, I should do it well, with intensity and purpose. I developed a desire to follow four precepts in all I do: honesty, energy, economy, system.

What Matters:

Knowing that others I come into contact with will feel that the following precepts define me as a human being:

- **Honesty:** Trust is earned through straightforward dealings.
- **Energy:** Approach your life work with energy.
Enthusiasm and commitment are infectious.
- **Economy:** Develop your project for the fewest possible dollars.
Remember, an engineer is someone who can make something for \$1 that anybody else can make for \$5.
- **System:** Conduct yourself and your projects systematically.
You inspire confidence in others when you plan and organize.

Why He Helps:

My high school guidance counselor did not have glowing prospects for me. Academically, I was quite average, having never been gifted as a test taker. I was motivated more by what I could accomplish with my brain and hands, rather than brain alone. I had two great parents who sacrificed in order to see their three children obtain an education.

I realize not everyone has been as fortunate as I have been, having such parental support. Therefore, I called Sister Pat (Rooney, former development director) at UNH in the early '90's, and asked what I could do to sponsor a scholarship for students with need who had a "can do" attitude and whose interests were in engineering.

Giving MATTERS

CARL DELUCIA '11

Major: Civil Engineering, Tagliatela College of Engineering

Hope for the future: To pursue a graduate degree after securing employment as a civil engineer. I love New England, but I have a strong desire to experience life on the West Coast. However, it will ultimately come down to the opportunities that are available to me following graduation.

Why he is grateful: Donations greatly affect the quality of a college learning experience. As costs rise, scholarships help students ease an incredible financial burden. Also, students who are able to train with the newest technology have an advantage and can stay ahead of the curve rather than playing catch up in the real world.

WHY Give?

MARY J. BARNEBY

EXECUTIVE DIRECTOR, UBS WEALTH MANAGEMENT

PARENT

MEMBER, BOARD OF GOVERNORS

What Motivates:

There were many elements in my childhood that caused me to feel that, as a woman, I could reach for the stars and work toward my true potential. They included my grandmother, my parents and many of the influential educators I encountered along the way. School was always a place I could demonstrate my talents and receive acknowledgement and feedback to help make me better, stronger and more confident in my abilities.

What Matters:

To be authentic to myself and, following that, to be the best parent, wife and professional I can possibly be. It is also critical to me to feel as if I am making a contribution to the community around me and doing my part to help others reach their goals and dreams.

Why She Helps:

I give to UNH because it is a place where there is a discernible commitment to helping students reach into themselves and discover their own dreams and ambitions.

Equally important is the support and encouragement that goes along with that commitment, to help students stretch, grow and work to achieve their dreams. It is truly the "school of dream fulfillment."

THE UNIVERSITY'S ANNUAL FUND:

WHAT IS IT?

The Annual Fund, which supports the ongoing operations of the University, gives individuals who care about UNH an opportunity to provide tangible signs of their support to our students and faculty. The Annual Fund helps to sustain:

- Student scholarships
- Wide-ranging student and faculty research
- Academic resources such as the University's new off-campus facility on Saw Mill Road in West Haven, pictured left
- Academic programs
- Co-curricular programs

Through innovative programs and student and faculty research that seeks new ways to address climate change, devises options for alternative modes of energy, advances new methods to ensure national security and much, much more, the University of New Haven is moving forward every day, with determination and purpose. Support our efforts to make a world of difference, throughout the world. Please visit www.newhaven.edu/supportunh to contribute to this vital effort, or use the envelope enclosed in this magazine.

WHY Give?

CARL S. BABB '76 B.A. SOCIOLOGY

PRINCIPAL ON SPECIAL ASSIGNMENT
WILBUR CROSS HIGH SCHOOL, NEW HAVEN
MEMBER ALUMNI BOARD OF DIRECTORS

What Motivates:

Growing up in a very large family, I was taught by my parents the importance of sharing what you have with others. I have carried this philosophy with me since I was a small boy and I do my best to live it each day in one way or another.

What Matters:

As an educator in the New Haven community, I encourage students to remember how they have benefited from others and to find ways to help those coming behind them. I practice what I preach.

Why He Helps:

I would not have been able to receive a degree from UNH and achieve what I have without the help and support of alumni. Therefore, it is my duty to do the same for others. I am a proud graduate of UNH and that also motivates me to be an active participant in all aspects of the University and community life. I challenge my fellow alumni to visit the University, see the changes that are taking place and to find their place as alumni at UNH.

WHY Give?

DR. JAMES MONAHAN '68 B.S. PUBLIC AND SOCIAL ADMINISTRATION

UNH ASSOCIATE PROFESSOR, CRIMINAL JUSTICE

DIRECTOR, CRIMINAL JUSTICE GRADUATE PROGRAM

What Motivates:

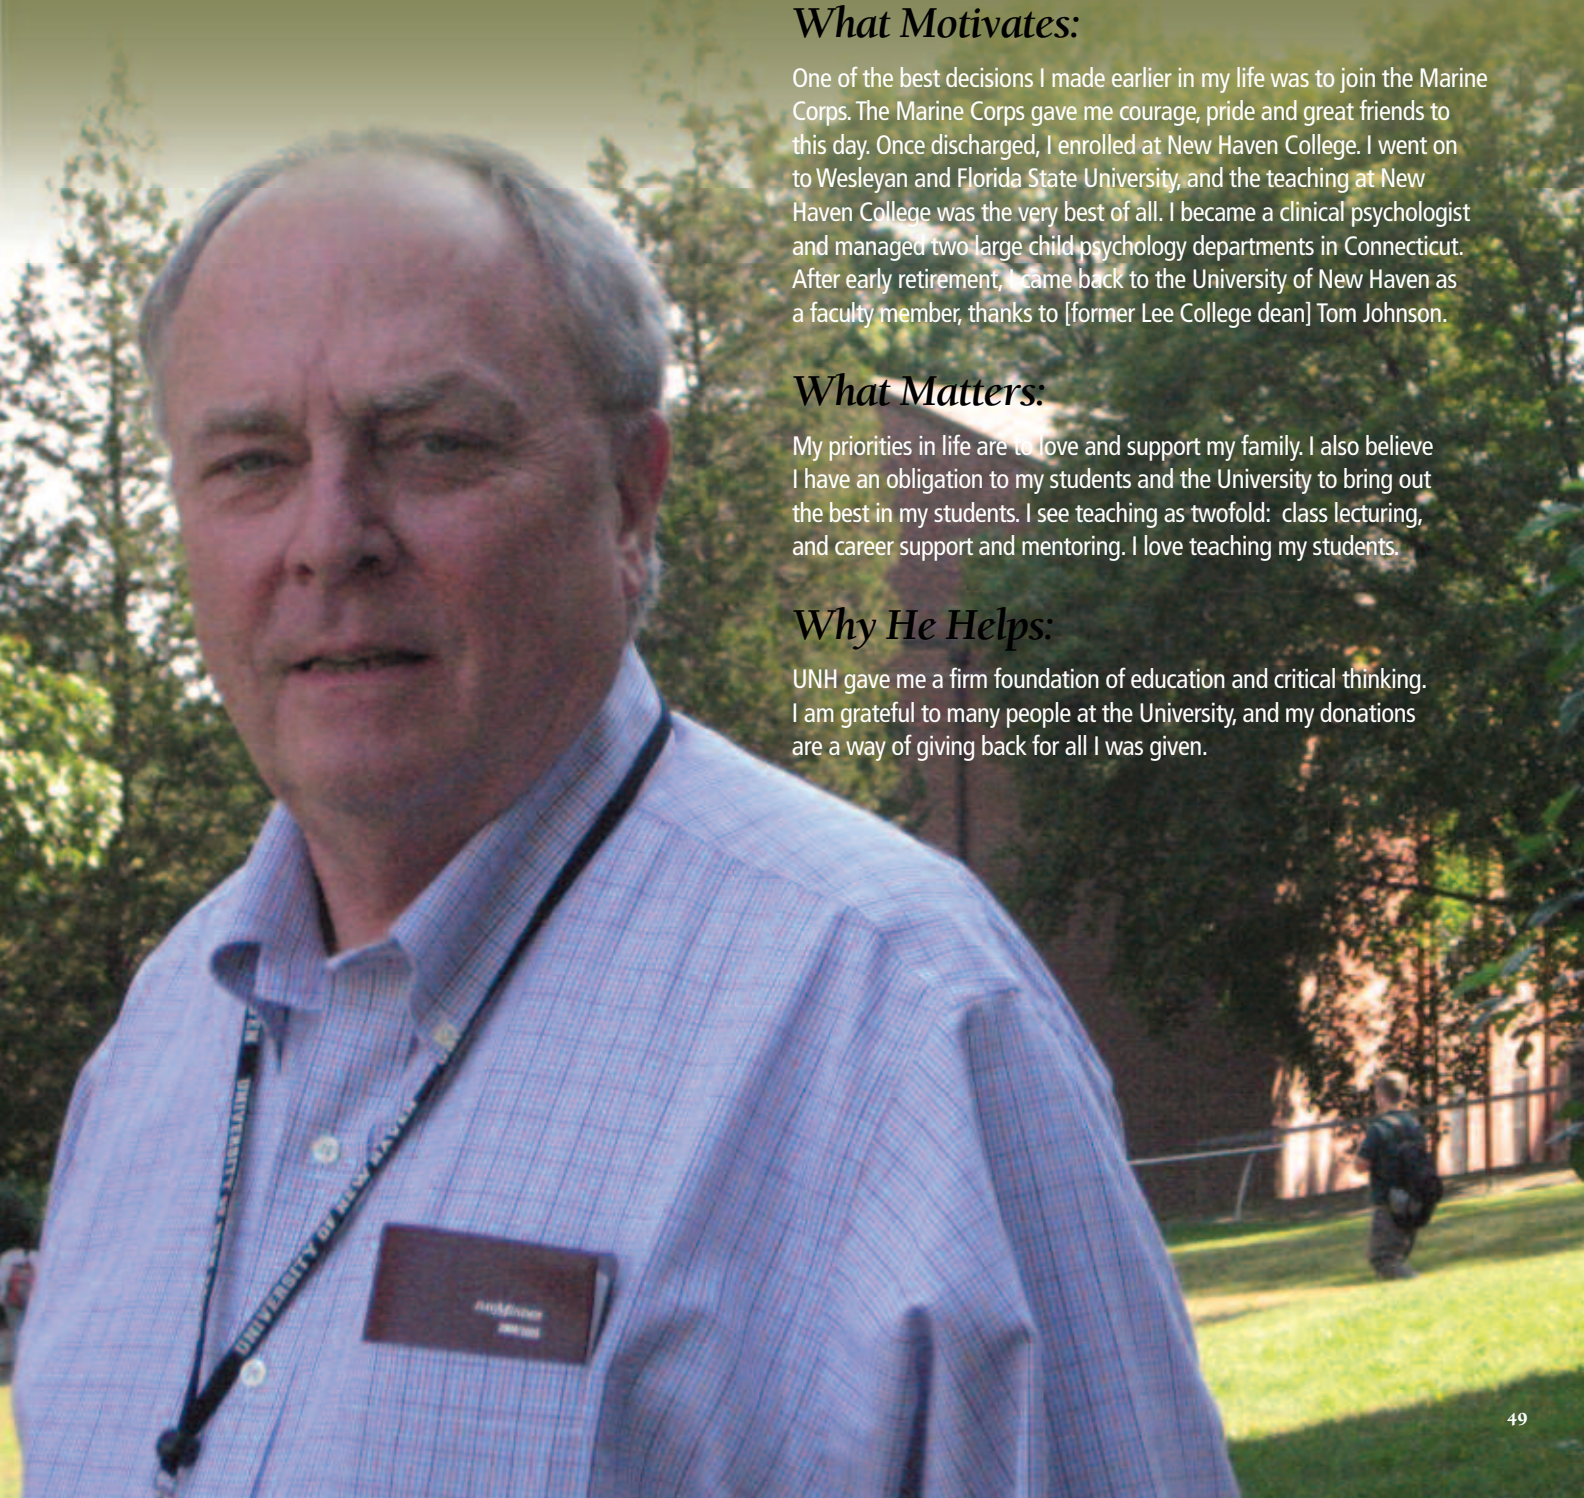

One of the best decisions I made earlier in my life was to join the Marine Corps. The Marine Corps gave me courage, pride and great friends to this day. Once discharged, I enrolled at New Haven College. I went on to Wesleyan and Florida State University, and the teaching at New Haven College was the very best of all. I became a clinical psychologist and managed two large child psychology departments in Connecticut. After early retirement, I came back to the University of New Haven as a faculty member, thanks to [former Lee College dean] Tom Johnson.

What Matters:

My priorities in life are to love and support my family. I also believe I have an obligation to my students and the University to bring out the best in my students. I see teaching as twofold: class lecturing, and career support and mentoring. I love teaching my students.

Why He Helps:

UNH gave me a firm foundation of education and critical thinking. I am grateful to many people at the University, and my donations are a way of giving back for all I was given.

GIVING MATTERS

ZACK ROSEN '10

Major: Music and Sound Recording, College of Arts and Sciences

Involvement: Assistant Editor, *Charger Bulletin*, UNH's student newspaper; President, UNH College Democrats; Website Director and on-air host, 88.7FM WNHU; Undergraduate Student Government Association

Hope for the future: While, as a junior, I'm dead center at that proverbial fork in the road, right now I am leaning towards working with music and sound in movies, television, and theatre. I am also considering working in production and management at a radio station.

Why he is grateful: There are so many of us who simply would not be attending UNH if it weren't for the scholarships that we receive. Also, donations help to make UNH not only more aesthetically pleasing, but more functional and useful. The University's smart classrooms, which allow students to learn with all of their senses, campus renovations, such as in Bartels Hall, the campus center, which allow for more community usage and studying space, and other important upgrades spotlight how donations help students and help elevate the value of a UNH degree.

WHY Give?

WILLIAM M. LEETE JR.

UNH SPECIAL ASSISTANT TO THE PRESIDENT FOR ATHLETIC ADVANCEMENT AND OUTREACH

What Motivates:

When I began working in higher education right out of college, first as a coach, I decided that I wanted to spend my career in this level of the educational process. Along the way, my interests and goals changed. I spent 14 years in coaching and have spent 28 in administration. I have enjoyed every minute.

What Matters:

To work hard and do the best job possible, providing for my family, always, always respecting and being good to people, and enjoying life while I have my health.

Why He Helps:

I give to this University because I have devoted much of my working life to making it a better place for our students, faculty and staff. I believe in its mission, and I am proud of how it has developed and grown into an excellent institution of higher education.

Giving MATTERS

KRISTA DIVINCENZO '11

Major: Forensic Science, Henry C. Lee College of Criminal Justice and Forensic Sciences

Involvement: Admissions Team (A-team); Alpha Lambda Delta, national honor society; ChargerRec intramurals

Hope for the future: After graduation, I plan to attend graduate school and then work in a state crime lab testing evidence.

Why she is grateful: Donations have positively impacted the education, health, and overall college experience of UNH students through the generations. Scholarships lessen the burden put on both students and their parents. Being awarded a scholarship helps students graduate without having to worry about being in serious debt and makes the transition to the working world a little bit easier. Speaking on behalf of myself, friends and parents, even the smallest scholarship is appreciated more than anyone could know! In addition, whether funds go toward the Beckerman Recreation Center, a place to go to continue a healthy lifestyle, or newly renovated laboratories, students are truly grateful that alumni and friends of UNH are enhancing their college experiences.

Giving MATTERS

ROBERT HANSON '10

Major: Criminal Justice – Investigative Services; Minor: Fire Science – Arson Investigation, Henry C. Lee College of Criminal Justice and Forensic Sciences

Involvement: Resident Assistant; Criminal Justice Club Executive Board; Executive Board, Admissions Team (A-Team); Fire Science Club; Alcohol Awareness Week Chair; Undergraduate Student Government Association; UNH Campus Police

Hope for the future: To become a police officer and state police arson investigator.

Why he is grateful: Alumni are one of the most beneficial resources to the University community. They give funds for scholarships that give students like me a chance to earn a college degree without financial constraints. Their gifts also fund the development and revitalization of many campus facilities. This allows the University to grow, compete and surpass many other universities. These donations have allowed for numerous resources from the renewed campus center, to the new turf field, and a Bullex fire training system for the Fire Science Club. These donations and many others allow students to truly enjoy and get the most out of their experience at UNH.

Giving MATTERS

MICHELLE PESSAH '10

Major: Hotel and Restaurant Management, College of Business

Involvement: President, The National Society of Minorities in Hospitality. I took on the role as president to better my leadership and management skills. The organization allows students across the country to come together to learn the value of bringing a diverse workforce into the hospitality industry. We participate in workshops held by industry professionals and learn proper etiquette and professionalism for our future careers, and we represent the University of New Haven. Importantly, we as a chapter participate in various community service activities to show our thanks.

Plans for the future: From my internship experiences, I know I would enjoy working in the event planning area of the hospitality industry. I also hope to one day plan weddings. I have a true passion for the hospitality industry and I believe it offers a variety of great opportunities. I can only hope that in my future the passion only grows greater.

Why she is grateful: Students are grateful for alumni donations. They allow us to further our education by easing some of the financial burden. They increase our self-esteem, which can positively affect our grades. And they provide many additions to our University that academically and socially enrich our everyday lives. Donations funded the Samuel S. Bergami Learning Center for Finance and Technology, which has increased Business students' opportunities for hands-on experiences.

ELLIS C. MAXCY HERITAGE SOCIETY

The Ellis C. Maxcy Heritage Society is named for our first President. Honored for his outstanding contribution to the University, Dr. Maxcy led New Haven College from 1932 to 1937. With his foresight and steady counsel spanning 48 years of service, the University established the foundation for its present level of excellence and achievement.

By becoming a member of the Ellis C. Maxcy Heritage Society and remembering the University through your estate plan, you are helping to provide the foundation for a better future. You open the doors of opportunity to promising students and provide an enduring legacy with a gift that keeps on giving.

How to Become a Society Member

- Name the University as a beneficiary in your will, trust, or life insurance policy, or
- Establish a life income arrangement, perhaps a charitable remainder trust, or gift annuity. These instruments provide you with the opportunity to receive an income stream for life while ultimately benefiting the University.

Gift Opportunities

Many planned giving instruments allow you to accomplish financial planning goals you may not have thought possible. Your legacy gift to the University of New Haven could:

- Increase your lifetime income.
- Provide for family members.
- Unlock appreciated assets to produce greater annual income without being penalized by capital gains.
- Eliminate or reduce your tax burden.
- Make a substantial gift to a meaningful cause.

We have a wide range of information relative to planning strategies. Please notify us if UNH is already included in your long-range plans so that you can be recognized as a member of the Society.

Privileges of Membership

Once you become a member of the Ellis C. Maxcy Heritage Society, you will enjoy benefits that include:

- Special listings in University of New Haven publications.
- An annual reception with other members of the Society.
- Our planned giving newsletter.
- Invitations to special events and academic seminars.

If you would like to discuss joining the Society and exploring various giving strategies that fit your particular circumstance, please contact Timothy R. Stanton at 203-932-7285 or tstanton@newhaven.edu.

Giving MATTERS

LISA BARNARD '11

Major: Forensic Science and Chemistry, Henry C. Lee College of Criminal Justice and Forensic Sciences

Involvement: Phi Sigma Sigma; Admissions Team (A-team); Charger Ambassador; Leadership Education Achievement and Development Program (LEAD)

Hope for the future: To work in a forensics crime lab.

Why she is grateful: Scholarships help take some of the weight off students' shoulders while they are attending college and when they graduate. With the high cost of college, sometimes graduates don't follow their career paths because they need to pay off their loans first. Also, if graduates encounter a tough job market, the pressure is eased a bit knowing their loans aren't as high as they could be. And, students appreciate donations that help fund essential campus facilities like smart classrooms and our Beckerman Recreation Center.
