

WHY Give?

CARL S. BABB '76 B.A. SOCIOLOGY

PRINCIPAL ON SPECIAL ASSIGNMENT
WILBUR CROSS HIGH SCHOOL, NEW HAVEN
MEMBER ALUMNI BOARD OF DIRECTORS

What Motivates:

Growing up in a very large family, I was taught by my parents the importance of sharing what you have with others. I have carried this philosophy with me since I was a small boy and I do my best to live it each day in one way or another.

What Matters:

As an educator in the New Haven community, I encourage students to remember how they have benefited from others and to find ways to help those coming behind them. I practice what I preach.

Why He Helps:

I would not have been able to receive a degree from UNH and achieve what I have without the help and support of alumni. Therefore, it is my duty to do the same for others. I am a proud graduate of UNH and that also motivates me to be an active participant in all aspects of the University and community life. I challenge my fellow alumni to visit the University, see the changes that are taking place and to find their place as alumni at UNH.
