

WHY Give?

WILLIAM M. LEETE JR.

UNH SPECIAL ASSISTANT TO THE PRESIDENT FOR ATHLETIC ADVANCEMENT AND OUTREACH

What Motivates:

When I began working in higher education right out of college, first as a coach, I decided that I wanted to spend my career in this level of the educational process. Along the way, my interests and goals changed. I spent 14 years in coaching and have spent 28 in administration. I have enjoyed every minute.

What Matters:

To work hard and do the best job possible, providing for my family, always, always respecting and being good to people, and enjoying life while I have my health.

Why He Helps:

I give to this University because I have devoted much of my working life to making it a better place for our students, faculty and staff. I believe in its mission, and I am proud of how it has developed and grown into an excellent institution of higher education.
