The Charger Classic is committed to enhancing the experiences and opportunities for all New Haven student-athletes. In recent years, proceeds from the Charger Classic have helped continue the tradition of one of the finest comprehensive athletic programs in the Northeast. Each of the Charger athletics facilities have benefited in recent years, including the installation of new scoreboards at Kayo Field, Vieira Field and the softball field, the addition of new chair back seating at DellaCamera Stadium, the construction of bleachers at Vieira Field and the softball field and the construction of new tennis courts on North Campus.

Proceeds from this year's Charger Classic will help support the shaping of lives for our current and future student-athletes.
