SUPPORT THE UNIVERSITY OF NEW HAVEN

The 27th Annual Charger Classic is a major fundraiser for the Department of Athletics and the University of New Haven. The Charger Classic is committed to enhancing the experiences and opportunities for all UNH student-athletes. In recent years, proceeds from the Charger Classic have helped continue the tradition of one of the finest comprehensive athletic programs in the Northeast. Each of the Charger athletics facilities have benefited in recent years, including the installation of new scoreboards at Kayo Field, Vicira Field and the softball field, the addition of new chair back seating at DellaCamera Stadium, the construction of new bleachers at Vicira Field and softball field, and the construction of new tennis courts on North Campus.

Proceeds from this year's Charger Classic will help support the shaping of lives for our current and future student-athletes. Areas of support include facilities construction, life skills workshops, community engagement, special events and much more. Your support for the 2017 Charger Classic will be transformative for UNH Athletics and help us reach our record-setting goal once again!
