

# University of New Haven

**Date & Time of Visit: Friday, January 21, 2022 9am – 12pm**

Hello,

We look forward to hosting your Group on Campus for our Project Lead the Way Day on Friday, January 21, 2022 from 9am-12pm. Below, please find the Covid-19-related policies we ask you follow in preparation for your visit to campus.

- We ask you screen your students prior to traveling to campus to ensure they are either fully vaccinated ***(to be considered fully vaccinated, they must have had their last shot two weeks or more prior to visiting.)*** or have completed and received a negative PCR or viral antigen test result within 72 hours of their scheduled visit to campus (test no earlier than Tuesday, January, 18, 2022).
- We will not test your students on campus upon arrival. It is your responsibility to check your students' vaccination record or negative test results prior to traveling to our campus. We would like to greet you and your students and begin their visit immediately upon arrival.
- Upon arrival to campus, please share with us this document which should include the list of student names, email addresses, phone-numbers, and verification of COVID-19 compliance. We will use this for contact tracing, if necessary.
- Please be sure to inform all members of your group that face coverings must be worn at all times while on campus (inside and outside) regardless of vaccination status.
