Recap of January 17, 2019 JJPOC Meeting

The following Executive work group proposed recommendations was adopted by the JJPOC at the January 17th 2019 meeting:

- A. To raise the age of juvenile jurisdiction from 17 to 18 by January 1, 2021.
- B. To have the JJPOC monitor the implementation of this change in juvenile jurisdiction, in the event it is enacted into law;
- C. To have JJPOC share relevant findings resulting from this oversight with the committees of cognizance of the General Assembly; and that,
- D. By July 1, 2023, the JJPOC should prepare a process evaluation on the implementation of this change and share such evaluation with the committees of cognizance of the General Assembly.

Recap of January 17, 2019 JJPOC Meeting

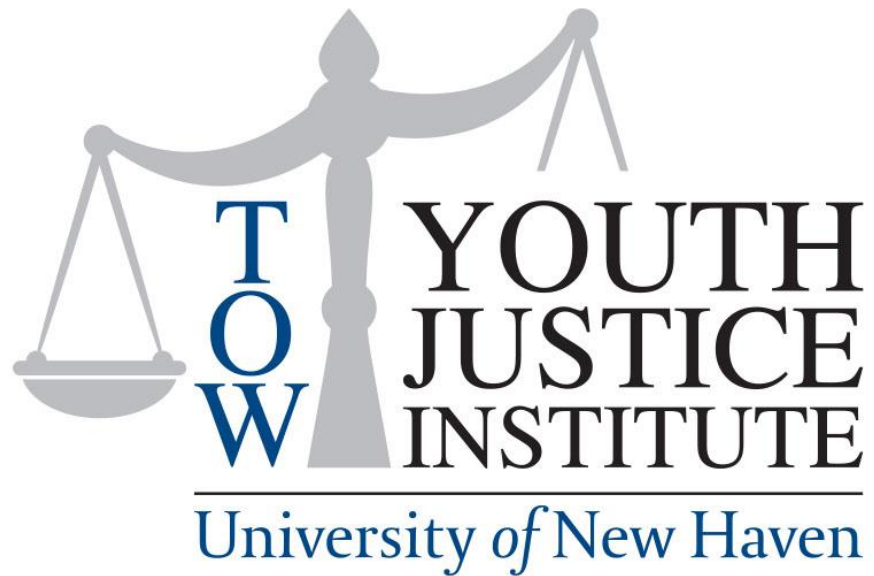

The following Incarceration Work Group Proposed 2019 Recommendation #1; new language was added and it was adopted by JJPOC at the January 17th 2019

A. No youth under the age of 18, even those who have their cases transferred to the adult court, should be housed in a facility run by the Department of Corrections either pre- or post-adjudications.

B. Will conduct a review of how other states house the 15 to 18 year old youth whose cases are processed in the adult court system. This review should address both the pre-adjudication and post adjudication housing matters.

C. Will conduct a study on other states' laws regarding the transfer of juvenile cases to adult court and the outcomes associated with those laws, including their impact on public safety and their effectiveness in changing behavior.

D. Will ensure that such review and study are completed by January 2020 and that such study includes a plan for implementation of any recommended changes, including cost options where appropriate, by July 1, 2021.

Discussion

Council of State Governments Site Visit

- **Why is Council of State Government (CSG) Coming to CT?**
- P.A. 18-31 mandates that by January 1, 2020, the JJPOC shall report on a *“Justice Reinvestment Plan that will allow for the reinvestment of a portion of the savings from the decreased use of incarceration and congregate care programming to become strategic investments in home, school and community based behavioral health services for children diverted from the juvenile justice system”*.
- Tow Youth Justice reached out to the Council of State Government (CSG) to obtain technical assistance in the development of the justice reinvestment plan. The site visit by CSG is part of their final process before deciding if they will select Connecticut as a site to partner with.
