

COMPUTER SCIENCE AND CYBER SECURITY & NETWORKS MAJORS

Welcome to the Tagliatela College of Engineering! This document is for all Computer Science and Cyber Security & Networks majors, and will help you understand your first semester schedule. For the first semester, the Center for Student Success will register you for classes based on the results of your placement exams and pre-registration survey. In subsequent semesters, you will register yourself for classes after consultation with an advisor)

***All incoming Computer Science and Cyber Security & Networks students will be given a brief survey to assess their programming experience. Questions include: Have you written computer programs before? If so, what languages have you used? Have you taken a year of Java, C#, or C++ programming in high school? Did you take the AP Computer Science (Java) test?**

CALCULUS OR PRE- CALCULUS PLACEMENT

Introduction to Computing
Technical Writing for Computing
Introduction to C Programming
Math (based on placement exam)
English (based on placement exam)
UNIV 1141 (common course)

For all students with 1 year of programming experience, Introduction to C Programming can be waived by Dr. Alice Fisher- Program Coordinator. These students can then take Intermediate Programming C/C++ and a 0 credit recitation bridge course

COLLEGE ALGEBRA PLACEMENT

Introduction to Computing
Technical Writing for Computing
College Algebra
English (based on placement)
UNIV 1141 (common course)

Introduction to C Programming may be substituted for UNIV 1141 for students with substantial prior programming experience. Dr. Alice Fisher- Program Coordinator, will determine eligibility

PLACEMENT BELOW COLLEGE ALGEBRA

Human Communication
Macroeconomics
Math (based on placement)
English (based on placement)
