

DENTAL HYGIENE

First-Semester Registration Guide

Welcome to the School of Health Sciences at the University of New Haven. For your first semester as a Dental Hygiene student, our Center for Student Success team will register you for classes based on the results of your placement exams and a brief pre-registration survey in your Road Map. (In subsequent semesters, you will register yourself for classes after consultation with an advisor.) While we can't promise that the timing of your courses will be exactly what you want, we will do our best to arrange your classes to fit your schedule.

ENGL
or
UNIV
1141

ENGLISH OR LIFE ON EARTH

The exact English course that you will take your first-semester is based on your standardized test scores or the results of your English placement exam.
