First-Semester Registration Guide

Welcome to the College of Arts and Sciences at the University of New Haven. For your first semester as a Music, Music Industry, or Music & Sound Recording student, our Center for Student Success team will register you for classes based on the results of your placement exams and a brief pre-registration survey in your Road Map. (In subsequent semesters, you will register yourself for classes after consultation with an advisor.) While we can't promise that the timing of your courses will be exactly what you want, we will do our best to arrange your classes to fit your schedule.
