## First Semester Course Schedule

Welcome to the College of Arts and Sciences at the University of New Haven. For your first semester, our Center for Student Success team will register you for classes based on the results of your placement exams and a brief pre-registration survey linked in your Road Map. (In subsequent semesters, you will register yourself for classes after consultation with an advisor.) Below are the courses you should expect to take during your first semester as a Theater student.

### *A message from the Center for Student Success:*

Although your first-semester courses will be arranged by an academic advisor, we also encourage you to contact Jonathan Yukich with any questions or concerns regarding theater options. He will be your faculty advisor for your first and second years.
