What Does a Commuter Assistant Do?

The Commuter Assistant helps to enhance the experience of commuter/off campus students and their understanding/knowledge of the University. Acting as mentors, the Commuter Assistants will serve as liaisons in both individual and group settings while connecting you with other commuter/off campus students.

This program, by promoting involvement, and providing resources, will set you on the path to excellence at The University of New Haven and instill a sense of community.

What You Can Expect:
- Mentorship
- Positive impact
- Involvement
