Overview

The University of New Haven is committed to providing an educational environment in which all community members feel safe and secure. These procedures have been adopted by the University of New Haven to facilitate full compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (the “Clery Act”).

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) is a federal law that requires all colleges and universities to annually disclose information about crime on and around their campuses. Commonly referred to as the Clery Act, this act was named in memory of Jeanne Clery, a 19-year-old Lehigh University freshman, who was assaulted and murdered in her residence hall room on April 5, 1986. The Clery Act requires the University of New Haven to disclose “statistics concerning the occurrence of certain criminal offenses reported to local law enforcement agencies or any official of the institution who is defined as a ‘Campus Security Authority’.”

The University of New Haven encourages all community members to report crimes and suspicious activity to the University Police Department in a timely manner. Under the Clery Act, certain individuals designated as Campus Security Authorities (CSAs) are required to promptly report Clery reportable crimes that occur within the University’s Clery geography (on-campus, non-campus, and adjacent public property). CSAs must report Clery reportable crimes to UNH PD for immediate evaluation of a community emergency notification or crime alert, and their inclusion in the University’s Annual Campus Security and Fire Safety Report.
Policy Jurisdiction

This Policy applies to all members of the University community that serve in a role or capacity which meet the definition of Campus Security Authority, as defined by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. Furthermore, this policy is designed to address those members of the campus community identified as Campus Security Authorities by the University’s Associate Vice President for Public Safety & Administrative Services. This policy applies to any individual on campus property, including but not limited to: students, employees, contractors, subcontractors, volunteers, visitors, and members of the public, and is applicable twenty-four (24) hours a day, seven (7) days a week.

Collection of Statistics for Annual Campus Security & Fire Safety Report

The University of New Haven’s Police Department is responsible for the collection, classification and counting of crime reports and crime statistics. The University Police Department collects crime reports and statistics through the exercise of their traditional duties, working relationships with local law enforcement agencies, outreach to local law enforcement agency in the jurisdiction of its non-campus property, and receipt of CSA Reporting Forms.

Additionally, the UNH Public Safety Department will work collaboratively with the Dean of Students Office to query for campus conduct processes at the close of each calendar year for violations of state and local ordinances (liquor law, substance use, and weapons law) occurring within University property for inclusion in the report. The UNH Police Department, in cooperation with local law enforcement agencies, will track arrests of the same nature. Campus Security Authorities are required to contact the appropriate campus officials - Dean of Students Office (students), Office of Residential Life (within residential building), or Human Resources (employee) - in accordance with the University policy, when witness to violations of liquor, substance use, or weapons laws, or UNH policies concerning the same.
