FIRST YEAR EXPERIENCE
HOT TIPS

• Use a planner
  • Schedule homework time just like you schedule your classes
• Read every syllabus for each class
  • Attendance requirements
  • Grading is different from class to class
  • Some classes have E-books, some use online supplements
Think about how you learn.

• Is an E-book better or a hard copy/paper book?

• Is reading and understanding a challenge? We have an academic support team who can help.

• Having trouble taking notes in class? We have an academic support team who can help.
The PCOB Near-Peer Mentoring Program is a community that ensures every new student has a mentor to support them through a successful first year.

100+ Mentorships

250+ Conversations
